

SAMUEL NAWAZ

Seaford DE, 19973 | [My Portfolio](#) | nawazzsamuel98@gmail.com | 443-258-1251

IT Support Specialist with hands-on experience in SIEM monitoring, threat detection, and incident response within an MSP environment. CompTIA Security+ certified, with daily experience investigating and remediating security alerts across endpoints, applications, and network configurations.

EDUCATION

Bachelor of Science - Cybersecurity

July 2025

Full Sail University

PROFESSIONAL EXPERIENCE

IT Support Specialist – Security Operations, CommPutercations Inc. (MSP)

August 2024 - Present

- Monitored and responded to security alerts using SIEM tooling; investigated and remediated threats across endpoints, applications, inbox rules, and registry configurations.
- Managed full ticket lifecycle across 10-15 daily tickets in ConnectWise, maintaining SLA adherence and clear documentation in IT Glue.
- Managed user identity lifecycle in Microsoft 365 and Entra ID, including provisioning new accounts, assigning licenses, configuring email forwarding rules, and deprovisioning access per offboarding procedures.
- Provisioned and configured new client workstations, deploying endpoint agents and validating device compliance and readiness prior to user onboarding.

CDP Document Processor, RSM US LLP

October 2022 - July 2024

- Finalize and quality-check financial documents used in audits, ensuring accuracy, integrity, and adherence to internal control procedures.
- Process sensitive proforma reports and official letters under confidentiality guidelines, maintaining data security throughout digital workflows.
- Perform detailed math checks and proofreading to prevent discrepancies, supporting audit readiness and risk mitigation.

Wireless Sales Representative & Mentor, CellularSales

September 2020 - September 2022

- Sold mobile devices while supporting and educating customers on security and latest technology trends.
- Trained new hires in sales tactics and ensuring they are providing the best level of customer support.
